ADMINISTRATOR'S REPORT January 2002 Update

SAC ... H2P2 Implementation Activities

- Hawaii** The Hawai'i County SAC awaits word on grant applications submitted to three local foundations. The applications were focused on data collection and facilitation efforts to address the transportation issues relating to the behavioral health population on the island.
- Tri-Isle** The Maui County Dental Health Alliance received a grant from the American Dental Association Foundation's Harris Fund for Children's Dental Health. The grant will be used to cover the costs of implementing a hands-on dental program for kids in honor of the Children's Dental Health Month (February).
- Tri-Isle SAC members and representatives from the Department of Health Dental Health Division, Department of Health District Health Office, Maui County Dental Health Alliance, Alu Like Pulama I Na Keiki and Hui No Ke Ola Pono participated in a December strategic thinking process to address baby bottle caries in the county. Mary Hew of Kaiser Permanente served as facilitator and engaged participants in an outcomes oriented planning process. A preliminary *Addressing Baby Bottle Tooth Decay – Strategic Action Process* working draft was developed which includes four components: media application, education of professionals, education of parents, and fluoridation. Members are encouraging other agencies, organizations and community members to join their efforts.
- Honolulu** The Honolulu Subarea Health Planning Council will be engaged in a January strategic thinking process. Creighton Liu, West Oahu SAC member, will serve as facilitator for the session.
- Windward** Partnership with Windward Oahu Asthma Coalition: The Windward O'ahu Asthma Coalition is continuing its work to seek funds for the Hā Mai I Ke Ola Program (Breath of Life), Open Airways program in the Kahuku-complex of O'ahu.
- Addressing Hypertension: The SAC is also exploring hypertension and resources available to address it.
- West Oahu** West O'ahu SAC members participated in a December strategic thinking process focused on substance abuse. A preliminary action plan was developed to address alcohol use among the middle school children. Members are exploring possibilities regarding conducting a beta test program in Central Oahu.

Kauai Member Lily Bryan-Conant, HMSA will present “How Is Health Care Paid For/Not Paid For – What Changes May Occur As a Result?”
